

Transition Dates for 2023 Preps

We are looking forward to a partnership with you and your family and welcome you to Boronia Heights Primary School.

Tuesday 24th May 5.00 – 6.00pm.

Prep Expo. Families are welcome to visit our school and visit our friendly Prep Classrooms. We have our Education Week Open Night after the Expo and you are welcome to stay and look through the various classrooms to see the fabulous learning happening in our school. The classrooms are open from 5pm – 6pm, featuring our student's amazing artwork, then we have our annual Showcase concert in the gym. Come along and see how amazingly talented our children are!

Tuesday 7th June 6.00 – 7.00pm.

2023 Prep Information Evening for prospective parents. Find out more about our wonderful school. Our Principal, Leanne Jennings will make a presentation about school life and school readiness. This information session will be held in the Library.

1. Friday 7th October 2.30 – 3.30pm

Classroom Session. Children spend time in a Prep classroom with help from our wonderful Grade 6 leaders. Parents have the opportunity to participate in an informative session with our Principal Leanne Jennings and the Business Manager Lori Lundberg in the Library.

2. Friday 21st October 2.30 – 3.30pm

Specialist Session. Children rotate between two of our wonderful specialists (Music & PE or Art & STEAM), the Prep teachers will accompany them. Parents have the opportunity to participate in an information session with our Principal Leanne Jennings and Occupational Therapist Michelle Moya in the Library.

3. Friday 4th November 2.30 – 3.30pm

Specialist Session. Children spend time with the other two brilliant specialists (again, with the Prep teachers). Parents have the opportunity to participate in an information session in the Library.

PARENT INFORMATION NIGHT

Tuesday 22nd November 7.00 – 8.00pm

Venue: Library

Valuable information for the beginning of the year is provided and Prep 2023 grades are announced.

It is recommended that parents come without children for this session please.

4. Tuesday 6th December. 9.30-10.30am

Meet the Teacher. Children continue to build confidence within their classroom, getting to know their teacher and making new friends as they learn and play. Parents will participate in a short informative session with our Out of Hours Care providers OSHClub and then indulge in a delicious morning tea in the library.

Our Transition sessions offer children a broad experience of our school and the people they will get to know next year. This structure helps children to feel supported and confident about coming to school. We do understand that not all children can attend all of our transition sessions. In these circumstances we recommend that children attend the last three sessions when children spend time with the specialists and in their new classroom with their Prep teacher.

We will have a popup uniform shop available to take your orders before all transition sessions.
