

What's coming up...

Brekkie Bunch!

We are very excited to announce that we are participating in the OSHClub Brekkie Bunch! Brekkie Bunch is a fun, new and exciting run by OSHClub that focuses on having yummy and nutritious breakfasts every morning. For the rest of term, every day will have a themed menu for breakfast as follows:

Milkshake and Smoothie Mondays

Pancake Tuesday

Worldwide Wednesdays

Three Ingredient Thursday

Fruitilicious Fridays

Some of the benefits that will come from Brekkie Bunch:

- o How to prepare a sanitised cooking area and an understanding of the importance of not causing cross-contamination
- o How to use tools or appliances safely (especially appliances that get hot, they'll learn how to use these safely, so they don't burn themselves)
- o How to read and follow a recipe
- o What makes a meal nutritious and yummy for our bellies
- o The best part, they get to eat a delicious breakfast at the end of their session!

This is an add-on to the Before School Program, so all their favourite foods and activities will still be available, just like normal!

If you would like to learn more, please feel free to reach out either via email, phone or by dropping into the service! We're always super keen to chat!

Coming Up

Monday

A Taste of Europe

Waffles and Breakfast foods from Paris

Tuesday

Science Squad

Slime and Crazy Science

Friday

Street Eatz

Mung Bean Dumplings and Pandan Waffles

Reminder

No Hat No Play Policy

As we are term 4, we need all children attending OSHClub to bring a hat (bucket hat or wide brim hat) every day. Unfortunately, without a hat, we cannot let children spend the afternoon outside. We have basket in service where children can leave a hat if they wish.

Quality Area Reflection

Physical Environment

We are still working hard on updating our physical environment! You will see new displays going up in the room with some more colour added to our reading corner. A bright new birthday display will be going up this week with everyone's birthday on it! We have also made a new BHPS OSHClub banner to be displayed with the handprints from both children and staff! We are excited for you all to see the bright creations being added to our room! If you have any suggestions or ideas for a new display, please let us know!!

Photo wall coming soon!!

Club News

Club Fomo

A taste of Europe has been great fun this term, unfortunately we only have two weeks left of this club. They are a fun filled two weeks! We will be making waffles from scratch and finishing off the club with breakfast from Paris!

Science Squad has had a lot of enjoyable experiments with the favourite two being the coke and mentos experiment and making lava lamps! The final two weeks of Science Squad will see us try to make slime and complete crazy science!

Street Eatz has been interesting, trailing different street foods has had some mixed taste reactions! We can all agree though that we have loved cooking these different foods! In the final two weeks we will cook Mung Bean Dumplings and and Fluffy Pandan Waffles.

If you would like your child to attend one of clubs, please book After School Care for one of the following days

A taste of Europe - Monday

Science Squad - Tuesday

Street Eatz - Friday
