

# Free workshop for students in Grade 6 transitioning to Year 7 in 2023

## Start Secondary school feeling confident!

Presented by Kate Wilde, the human development Workshop

Making the transition to secondary school is a significant change for students and can cause worry.

In this **FREE** workshop, students will learn the skills and knowledge to feel more confident starting secondary school in 2023.

### The workshop includes:

- Getting ready for secondary school: The 'easy' stuff - routines, public transport, homework and more
- Friendships-common worries and great hacks for making friends in high school
- Bullying, anxiety and being independent
- Social media- the good parts and how to manage the negative parts and safety online
