### Pupil Free Days and Holiday Program!

We are super excited to let everyone know that we will be running two pupil free days on Wednesday December 21st and Thursday December 22nd. Wednesday will be Christmas themed, and Thursday will be an end of year party / celebration!

We are running our holiday program from Monday January 9th to Friday January 27th. Over this time, we will be heading to Healesville Sanctuary and Clip 'n' Climb as well as having a water incursion and a marine education incursion!

We will have our regular Boronia Heights OSHClub team consisting of Tiarne, Erin and Cassie. A few staff will come across from Bayswater North OSHClub and Monbulk OSHClub, meaning there will be a lot of familiar faces around!

Please note that places are filling up fast so please book early to avoid disappointment!

**\* All Holiday Program bookings made before December 21st will receive a 20% discount! \***

Our Holiday Program brochure will be available from the school office as of Monday December 5th or alternatively you can click the following link :

## Reminder

### No Hat No Play Policy

As we are term 4, we need all children attending OSHClub to bring a hat (bucket hat or wide brim hat) every day. Unfortunately, without a hat, we cannot let children spend the afternoon outside. We have basket in service where children can leave a hat if they wish.

## Before School Care at OSHClub

### Brekkie Bunch

We have complete two weeks of our Brekkie Bunch, and we are loving it! Children have the opportunity to help make and cook breakfast at OSHClub! Each day we have theme and make a matching recipe

Milkshake / Smoothie Monday

Pancake Tuesday

Worldwide Wednesday

3 Ingredient Thursday

Fruitilicious Friday

If you would like your child to participate in our Brekkie Bunch, book them in for your morning!

## Club News

### Club Fomo

We have had the most fun participating in our OSHClub Fomo Clubs. Children have been taken on a journey around the world, creating, cooking, and eating different street foods. Our favourite was definitely the Pho!

Our Science Squad was by far the most popular club! Children loved trying different science experiments each week. Making slime and the coke and mentos experiments were two of the most talked about experiments that we completed!

A taste of Europe was a fun and interesting club. Waffle and pasta making was the absolute highlight for all of our children! The waffles were super yummy!

As we finish our clubs for the term, we will continue to cook different recipes at OSHClub and continue to try different science experiments.
