Julieta - Coordinator

Hi, my name is Julieta, and I am from Colombia. I speak Spanish as my first language. I love spending quality time with my partner, Jesse my cat, family, and friends. I have a Diploma and Certificate III in Early Childhood Education, Certificate IV in Training and Assessment, and a Psychology degree in Colombia. I find it so rewarding watching children learn or achieve something that is going to make them proud.

I'm very enthusiastic and outgoing. I love an adventure, always up for travelling and exploring further. I love camping as I do rovers myself. I'm currently studying my bachelor's degree of primary education, whilst juggling three jobs. I love working with kids as it brings me joy, I went to Cambodia to help teach students as well as help build a new classroom for them. I'm really close with family as I have a big family myself. I also am athletic, I play basketball and had gotten the chance to play overseas in America, which was a dream itself.
