Hello OSHC families!

It's halfway through term 2 and OSHC is cruising along very nicely. The children have been busy; painting, making origami activities, cooking, playing tennis, footy, gymnastics, basketball, music games, and of course so much more...

The children have enjoyed this term so much with us focusing on emotions the children have been communicating with each other when something is upsetting them and this has been great to see!

In our children's meeting team running by them, we also discuss and listen to each other different opinions and Ideas that we can use when situations come along with their friends.

Hey OSHC families, we are all very passionate about including families involve In the program so if anyone has any ideas or suggestions about what they would like to see their child improve on we would love to hear it!
