HELLO OSHC FAMILIES!

Can you believe it's almost the middle of the year 2023? How time has flown past. The children have enjoyed this term so much and the children have been busy; painting, making origami activities, cooking, playing tennis, footy, gymnastics, basketball, music games, and of course so much more...

The children have enjoyed this term so much with us continue focusing on taking decisions and emotions. Children have been working on communicating with each other when something is upsetting them or have, they made a decision and this has been great to see!

In our children's meeting team running by them, we also discuss and listen to each other different opinions and Ideas that we can use when situations come along with their friends.

Hey OSHC families, we are all very passionate about including families involve In the program so if anyone has any ideas or suggestions about what they would like to see their child improve on we would love to hear it!
