#### Hi families

We are now well into Term 3, and here at Boronia Heights, we have had nothing short of an amazing term.

One of our goals for the term was student engagement, ensuring that all our students could thrive here at OSHClub.

We have been exploring various areas of student interest including, wildlife, science, cooking, and MORE! Through science experiments, cooking, craft activities, etc., our students are continuing to develop pivotal life skills.

Together, we rapped Dr. Octopus, went on scavenger hunts, had ultimate LEGO competitions, and even spent time creating recycled costumes.
