

## This term...

We're going around the world!! (From the safety and comfort of OSHC)

This term each week we will be picking a new country and its culture and food to immerse ourselves in as well as interactive activities for all the students to enjoy! The purpose of this term is to expose the children to other cultures, showing that places are different to us and that just because something is different/unfamiliar doesn't mean it's bad and instead something to celebrate!

So far some of the countries on our list are:

- India
- Germany
- China
- Italy
- Spain
- Australia

If there are any places you would like us to add please let us know as we would LOVE to add them!

## Acknowledgment:

**Boronia Heights OSHClub respectfully acknowledges the Wurundjeri people of the Kulin Nation as the traditional owners of the land on which our service stands and pay respect to the ongoing living cultures of the First Peoples of Australia; the Aboriginal & Torres St Islander People.**

Hi families,

My name is Kate, and I am the new Coordinator here at OSH Club. I have a background in childcare and nannying and am studying towards a Diploma of School Age Education.

I am so excited to be a part of this amazing program and am very passionate about facilitating exploration and creativity in the children who attend.

We as a team, will be doing that by planning a variety of activities that not only will be fun but will give them an opportunity to discover their own passions and skills. If you have any questions or suggestions for our Rise then Shine or Stay and Play program, we would love to hear them!
