

What's been happening...

Greetings from the OSH Club! 🌐

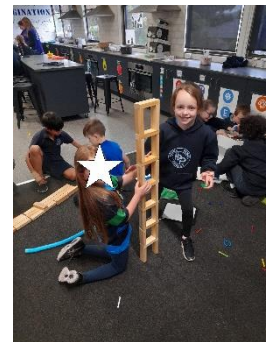

Hello all! Can you believe it's less than 2 weeks until Christmas? We have enjoyed learning more about France and diving into Christmas activities these past couple of weeks.

France Fun!

No, sadly we didn't eat frog legs and snails, but we did have a charcuterie board and an epic competition to build the Eiffel Tower! All teams had to work together and problem-solve and every team took a different approach. We have enjoyed going around the world and the kids have loved trying new foods and exploring different places.

Christmas Countdown!

We have a countdown to Christmas in OSH Club and we are almost in single digits! You may have heard some Christmas carols coming from the room as the kids have requested their favourites. We have a cheeky Elf on the shelf who has been moving each night and keeping a watchful eye on the kids to report back to Santa, her name is Jingles. We have been making 3D Christmas cards and decorating Christmas cookies, but a favourite has been directional drawing of Christmas-themed things. The kids loved drawing the Grinch and Christmas trees. Speaking of Christmas trees, ours is up and twinkling with the help of the kids making pom poms and other decorations for the tree.

REMINDERS:

Non-notified absences will incur a fee.

Children must have a hat to play outside!

Looking Forward ✨

We are very excited about our upcoming Holiday Program starting 8th January and running until 25th January 2024. We will have fun excursions to Strike Bowling and Holey Moley and even some incursions! Our holiday program is a fantastic place for kids to get off screens for a day or even a few hours and do some hands on, exciting activities with other kids. There will be baking, building, craft, experiments and more!

A message from Kate

I have some sad news to share with you all. I will be leaving the team at the end of the year due to health reasons. This decision was not made lightly and I will miss working here. Every single child who has come into the service has impacted me in some incredible way. I have enjoyed working with the kids and building things or getting creative with a craft. I have also discovered that I am not very good at Uno or basketball and the children are pros (although they're kind enough to help me out). I will never forget my time working here and will miss every child and parent who make this service the incredible service it is.

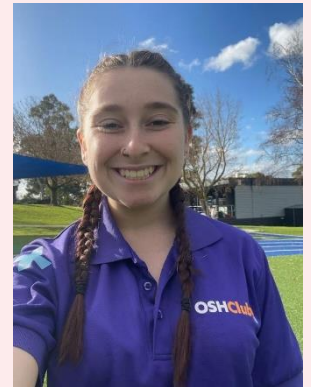

Cassie who has been an educator at Boronia Heights for years will be stepping into the role as Co-Ordinator. Cassie is an organised and passionate educator and I have no doubt she will be an incredible Co-Ordinator. Thank you all for making my time in this role, as amazing as it was.
