

What's been happening...

Greetings from the OSH Club! 🌐

Hello all! We can't believe this year is quickly coming to an end. Over the past few weeks we have had lots of fun adventures learning more about South Africa and England.

South Africa Adventures

South Africa was requested by our very own Reign whose family is from South Africa. Reign was amazing at teaching the class how to say a few words that he had learned from his family. We dived into some South African craft as well as cooking some dishes.

England Extravaganza!

English muffins and scones are all the rave here in OSH Club! With making double decker buses from recycled material to building the London bridge out of toothpicks and marshmallows, the fun is in the building!

Extra Mentions ✨

Our science leaders have been working hard running science experiences lately. Exciting rainbow experiments and storm in a cup, the kids were excited to hypothesize what could happen! Our baking leaders have lead groups baking for the staff here at Boronia and for themselves as well. We have been very proud of our leaders as they have stepped up and ran the activities well!

REMINDERS:

Non-notified absences will incur a fee

Looking Forward

As Christmas is around the corner, we have put up our Christmas tree and started singing along to carols. The most requested song is "Santa Claus has Got a New Truck"! The kids are decorating the tree with their craft, some are making green and red pom poms to hang on the tree, some are dot painting Christmas trees. It's lovely to see our tree covered in the art of our wonderful students.

Toy/Gift Drive

We are partnering with the Salvation Army to run a gift drive for those less fortunate. As the cost of living is rising, there are more and more families who are unable to afford presents for their kids. We want to help out those families and will be accepting toy donations.

If you are able to donate, please bring your gifts down to the OSH Club room where we will be storing the gifts before giving them to the salvation army.

Please see the poster on the next page for more information on some gift ideas.

- Backpacks, wallets, handbags

ELECTRONICS

- Console games for PlayStation, Xbox
- Hair dryers, hair straighteners
- MP3 players
- Headphones, speakers
- Cameras

GUIDELINES

- Please donate all items as early as possible – November or early December, to help us ensure that all gifts are delivered to families by Christmas
- Consider donating gift vouchers. A gift voucher means a parent or guardian can still share in the unique joy of buying a gift for their child or family member (vouchers are also ideal for teenagers)
- Your donated gift may be the only present someone receives this Christmas, so please donate new items only
- Please consider donating gifts for older age groups (teenagers and parents) as every year we are overwhelmed with gifts for younger children

Nobody should struggle alone at Christmas

For further information please get in touch with your regional Salvos representative
