

## What's been happening...

### Greetings from the OSH Club! 🌍

The last two weeks have been adventurous at OSHClub. We are excited for the final weeks of term coming.

### Activities

We have been up to heaps at OshClub.

We created our own Lego masters and created some interesting designs of birds, monsters, shark cages and shopping centres.

We did some power of affirmations, and continued our wishing tree wishes.

We have many playdough and kinetic sand creations, with animals and cities being build.

We were enticed with the party games of timed cup stacking and de-stacking.

Everyone has been intrigued in the pot painting.

Our sustainability has been thriving with children watering our garden and their small sprouts they planted and grew themselves.

We expanded our understanding of aboriginal and Torres Strait islanders with some painting and stories.

We couldn't leave out our inclusive outdoor group games, rock paper scissors run, octopus, ship shark shore.

### Community book house

Don't forget about our book house just outside our OSHClub room. It is to borrow books and to swap books at your desire. Adventure your reading world, with the availability of the book house every day.

### Clean up Australia Day

Students participated in a worldwide movement of clean up Australia day. It was great to see all the children get involved and want to wear their new gloves and help pick up any rubbish left around the school.

### Dr Suess day

Children dove deep into the land of Dr Suess on our Friday funday last week. The activities involved creating Truffula trees, cat in the hat rhymes, and Lorax faces. Children also developed further into their learning and created their own story backgrounds.

## REMINDERS:

Non-notified absences  
will incur a fee.

## Looking Forward 🌸

We are looking forward to Harmony Day next week and explore all different cultures especially those that are within OSHClub.

We are excited for the final few weeks approaching us with some adventures and crafty activities.

Most importantly we are excited for Holiday program to begin with a range of themed days with incursions and excursions. We can't wait to see you!

### Holiday Program

Holiday program is approaching quickly, and we don't want you to miss out!

We have a variety of different themed days and activities that the children will love, shown below. Make sure you book in quickly via Kidsoft to make sure you secure a place.

We will be opening Tuesday the 2<sup>nd</sup> of April until Friday the 12<sup>th</sup> of April.
